X-mas CD 2016¹

3. Figaro (Madlib's Stones Throw 101 Remix) – Madvillain
4. Downtown – Macklemore & Ryan Lewis³
5. 1,2 Pass It – D&D Allstars
6. Same Song – Digital Underground⁴

¹ I've wanted to do an all hip hop theme Xmas CD for a while. I'll add one occasionally. This CD pays special tribute to Tribe Called Quest (R.I.P. Phife) and focuses on old school hip hop vs. rap (only a few exceptions outside of the early 90s). Most of these albums are mandatory for anyone who loves hip hop. This CD is my first Xmas CD that is not kid-friendly (language).

² Ridiculousness with me, Addy, and Juni based on a silly scene in [Storks](#). [Download MP3](#).

³ One of the girls' favorite songs this year. Dad dutifully turns the volume all the way to the left for language.

⁴ This is the first time most people heard 2Pac.

⁵ This CD is overwhelmingly me introducing the girls to favorite songs. Most of the older songs were requested favorites this year.
